Activity 4 – Free Practice.....	5

Quotes:

- "**Price** is what you pay, **Value** is what you get." – **Warren Buffett**
- "A **budget** is telling your money where to go instead of wondering where it went." – **Dave Ramsey**

Activity 1 – Matching

Instructions: Match the words (1-10) with their meaning (a-j). The first is done for you.

Word & Example	Answer	Meaning
1. Budget We need to make a budget , so we don't spend more money than we earn.	d.	a. Money that a bank charges when you borrow money or pays when you have money in the bank.
2. Donation The charity was grateful for the large donation that helped them buy new supplies.		b. The money you have in a bank for a (long) period of time.
3. Inflation Because of inflation , the price of food has increased a lot this year.		c. The money you receive when you are retired.
4. Investments She made several investments in AI companies to grow her money over time.		d. The amount of money you have available to spend.
5. Interest If you borrow money from the bank, you have to pay interest on the loan.		e. Things that you buy in order to make money.
6. Savings He used his savings to pay for a new laptop.		f. A bad economic situation in a country.
7. Recession During the recession , many people lost their jobs and businesses struggled.		g. Something that is cheaper than normal.
8. Income Her monthly income is enough to cover rent, food, and transportation		h. The general increase in prices.
9. Bargains We found some great bargains at the weekend market and saved a lot of money.		i. Money that is given to an organization to help it.
10. Pension After he retires, he will receive a monthly pension from his company.		j. The money that you receive regularly through work or investments.

Activity 2 – Target Word Review

Instructions:

- Work in groups
- Look up each word using the Cambridge Dictionary:
<https://dictionary.cambridge.org/>
- For each word, read the definition and examples.
- Provide an example from the site or create your own.

Example:

- **Pension:**
 - **Definition:** an amount of money paid regularly by the government or a private company to a person who does not work any more because they are too old or have become ill.
 - **Example:** He retired on a generous pension from the company.

Group 1:

- **Budget:** _____
- **Donation:** _____
- **Inflation:** _____

Group 2:

- **Investments:** _____
- **Interest:** _____
- **Savings:** _____

Group 3:

- **Recession:** _____
- **Income:** _____

Activity 4 – Free Practice

Instructions:

- In groups, each answer
If I won the lottery (or received a lot of money), I would and would not ...
- Use the list below
- Explain why you chose your answers

Possible answers:

1. Share it with your friends and family and make a large **donation** to charity.
2. Spend it all! You can't take it with you when you die and **inflation** will just eat away at it if you don't spend it.
3. Give yourself a strict **budget**. That money has got to last a lifetime!
4. Invest the money and then spend your days managing your **investments**.
5. Put it in a bank and live off the **interest** on your **savings**.
6. Wait for the next **recession** and buy a lot of property. Then live off the rental **income**.
7. Still go shopping for **bargains**. You can't change the habit of a lifetime.
8. Save for a **pension** so that you'll have security and be comfortable in later life.

My answers:

I would:

1. _____
2. _____

I would not:

1. _____
2. _____

Explanation:

They say money talks, but all mine ever seems to say is “goodbye.”
